

Establishment of MNU Complex (Fisheries College)

The Government of Maldives invites investors to participate in the development of the MNU Complex in Villimale', a state-of-the-art educational and fisheries hub that aligns with national priorities of sustainable development and growth in the fisheries sector.

Establishment of MNU Complex (Fisheries College)

Objectives:

- Establish a modern MNU campus complex in Villimale', including student accommodation, a fisheries college, maritime center, restaurant, and other amenities.
- Foster industry collaboration, sustainable development, and investment to drive economic growth in the region.

Scope:

- State-of-the-art university campus with student accommodation, a specialized fisheries college, laboratories, and a maritime center.

Potential Incentives:

- Strategic location between Thilafushi and Malé, with enhanced connectivity with the new bridge connecting Malé to Villimale.
- Potential for significant investment returns in a rapidly developing area.

Envisaged Investment: Investors to propose a financial model

Timeline: 720 days

Focal Agency: Maldives National University

For Submissions:

- Submissions can be made through the Private Sector Initiated Proposals (PSIP) regime, Special Economic Zones (SEZ), or other relevant channels.
- For more information: secretariat@mnu.edu.mv or projects@mnu.edu.mv.
