

Establishment of Animal Feed Mills

The Government of Maldives invites investors to participate in the establishment of animal feed mills, contributing to the enhancement of local agricultural production. This project offers an opportunity to support the growth of the livestock sector while fostering food security and sustainability across the nation.

Establishment of Animal Feed Mills

Objectives:

- To reduce the reliance on imported animal feed, lower costs for local farmers, and improve the sustainability and resilience of the livestock and poultry sectors.

Scope:

- Establishment of an animal feed mill to produce affordable, high-quality feed.
- Focus on local livestock and poultry farmers to reduce dependence on expensive, imported feed products.

Potential Incentives:

- Tax benefits and commercial incentives aligned with the government's food security and animal welfare priorities.
