

Establish Mushroom Farms to Reduce Import Reliance

The Government of Maldives invites investors to participate in the development of commercial-scale mushroom farms to reduce import reliance, enhance local food production, and foster a sustainable agricultural value chain in the Maldives.

Establish Mushroom Farms to Reduce Import Reliance

Objectives:

- Establish commercial-scale mushroom farms to ensure a year-round supply of fresh mushrooms.
- Reduce dependency on imported mushrooms and increase local production, processing, packaging, and distribution.
- Support the development of a local value chain for the agriculture sector.

Scope:

- Commercial-scale operations supplying fresh mushrooms to local markets, restaurants, supermarkets, resorts, and food processors.

Potential Incentives:

- Tax benefits and commercial incentives aligned with the government's priorities for food security and agriculture.

Envisaged Investment: Investors to propose

Timeline: 2 years

Focal Agency: Ministry of Agriculture and Animal Welfare

For Submissions:

- Email to info@agriculture.gov.mv and pir@agriculture.gov.mv
