

Establish Poultry Farms

The Government of Maldives invites investors to participate in the development of sustainable poultry farming operations, aimed at increasing local production of chicken meat and eggs, reducing imports, and enhancing food security.

Establish Poultry Farms

Objectives:

- Increase access to healthy and fresh chicken meat and eggs
- Establish sustainable poultry farms
- Create employment opportunities
- Reduce import of fresh chicken meat and eggs

Scope:

- Meet local demand by establishing sustainable poultry farming operations focused on meat and egg production

Potential Incentives:

- Tax benefits and commercial incentives aligned with the government's priorities for food security and agriculture.

Envisaged Investment: Investors to propose

Timeline: 2 years

Focal Agency: Ministry of Agriculture and Animal Welfare
