

Development of Dharubaaruge Convention Center

The Government of Maldives invites investors to participate in the redevelopment of the historic Dharubaaruge Convention Center, transforming it into a world-class facility with hotel accommodations and services, while integrating climate-resilient features for disaster preparedness.

Development of Dharubaaruge Convention Center

Objectives:

- Redevelop Dharubaaruge into a prestigious convention center with accommodation services and facilities that can be used as a command center during disasters.

Scope:

- Reconstruction of Dharubaaruge into a multipurpose convention center, adhering to green building principles.

Potential Incentives:

- Tax breaks and duty-free imports may be available.
- Long-term land leases (up to 50 years+).

Envisaged Investment: USD 100 million

Timeline: 2026-2028

Focal Agency: Ministry of Construction, Housing and Infrastructure

For Submissions:

- Email to proposal@infrastructure.gov.mv
