

# Sports Fishing

The Government of Maldives invites investors to contribute to the growth of recreational and sports fishing, with opportunities to develop modern fishing harbours. This project integrates tourism, providing a multifaceted recreational experience while stimulating local economic growth.

# Sports Fishing

## Objectives:

- Support recreational fishing and foster local tourism.
- Contribute to the growth of the Maldives' economy by catering to the increasing demand for sports fishing.
- Enhance the recreational experience with modern facilities such as fishing harbours, guesthouses, and restaurants.
- Facilitate the management of fishing tournaments and support associated services like fishing-related outlets and barbecue areas.

## Scope:

- Develop sports fishing harbours featuring modern ports.
- Construct guesthouses, restaurants, cafes, and fishing-related services.
- Create spaces for fishing tournaments, fish stalls, administrative offices, and barbecue areas.
- Focus on creating an integrated, sustainable tourism experience tied to the growing interest in sports fishing.

## Potential Incentives:

- Investment opportunities in a growing, high-demand tourism niche.
- Strategic location and infrastructure to cater to the increasing global interest in recreational fishing.
