

Development of a Second Campus at L. Gan

The Government of Maldives invites investors to partner in the development of the L.Gan Campus II, a key educational infrastructure project aimed at enhancing employment opportunities and fostering industry partnerships, particularly within the tourism sector. The project will offer tourism accommodation, restaurant facilities, and integrate sustainable features, aligning with national education reforms to promote a sustainable and innovative learning environment.

Development of a Second Campus at L. Gan

Objectives:

- To expand educational facilities and enhance the tourism sector by providing integrated campus accommodation and restaurants for students.
- To support national education reforms and create a sustainable, innovative learning environment in line with the government's vision for sustainable infrastructure.
- To stimulate employment and industry growth through university-industry partnerships.

Scope:

- Development of campus accommodation for students.
- Restaurants and tourism-related services integrated into the campus.
- Implementation of sustainable features and practices in design.

Potential Incentives:

- Opportunity to invest in a rapidly growing tourism hub.
- Long-term asset development in a high-demand region.
- Government support for educational development and tourism-related infrastructure.

Envisaged Investment: Investors to propose a financial model

Timeline: 365 days

Focal Agency: Maldives National University

For Submissions:

- Submissions can be made through the Private Sector Initiated Proposals (PSIP) regime, Special Economic Zones (SEZ), or other relevant channels.
- For more information: secretariat@mnu.edu.mv or projects@mnu.edu.mv.
