

Value Addition of Coconut and Coconut Palm Products

The Government of Maldives invites investors to explore opportunities in the value addition of coconut and coconut palm products, contributing to sustainable income generation, employment creation, and enhanced export capabilities in line with the nation's food security and agricultural goals.

Value Addition of Coconut and Coconut Palm Products

Objectives:

- Create sustainable income opportunities by utilizing readily available coconuts.
- Provide employment opportunities with a focus on women and youth participation.
- Develop skills in producing value-added coconut products.
- Produce virgin coconut oil products for local sale, tourism industry, and eventual export income.

Scope:

- Develop a diverse range of coconut based products for both domestic and international markets.

Potential Incentives:

- Tax benefits and commercial incentives aligned with the government's priorities for food security and agriculture.

Envisaged Investment: Investors to propose

Timeline: 2 years

Focal Agency: Ministry of Agriculture and Animal Welfare

For Submissions:

- Email to info@agriculture.gov.mv and pir@agriculture.gov.mv
